It's dark, right? The lights are out.
It's a little messy 'cause I haven't
finished putting up the wallpaper.

Just sit
anywhere

I pretended not to know at first,
but why did he go with it?
Is he being considerate of me?
Or is it pride?

Who was that kid?
I didn't hear any news
about him getting married.

It looks like
Hyeonseo is
really sick.

Then,
I have to meet Hyeonseo
after he gets well.
The three of us...

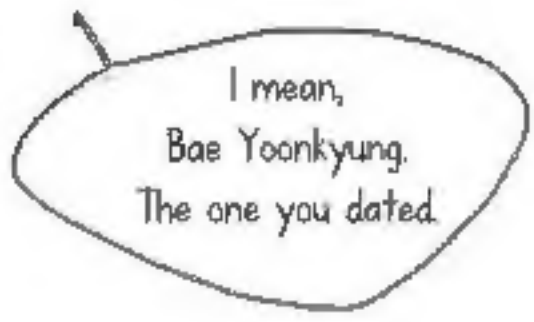
No

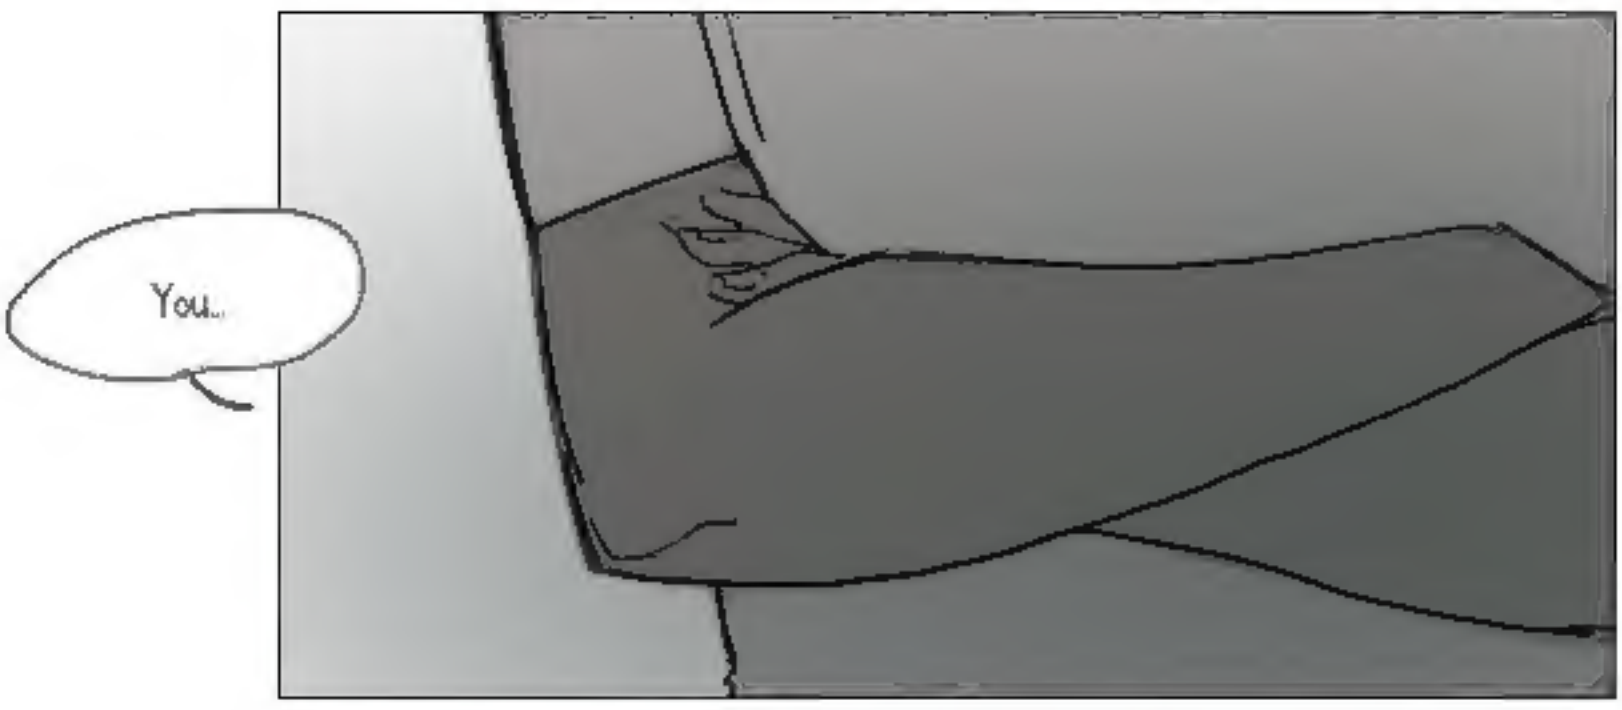
...Hyung, that...

...woman told me everything.

CATBOY CATDAY

ART/STORY: MARY





Did you think I wouldn't know? It's in the past, so you should move on.

I want to break out of this nightmare too. I want to hope it's all a dream.

You're the last one left.

But it's not... the ones left should at least be happy.

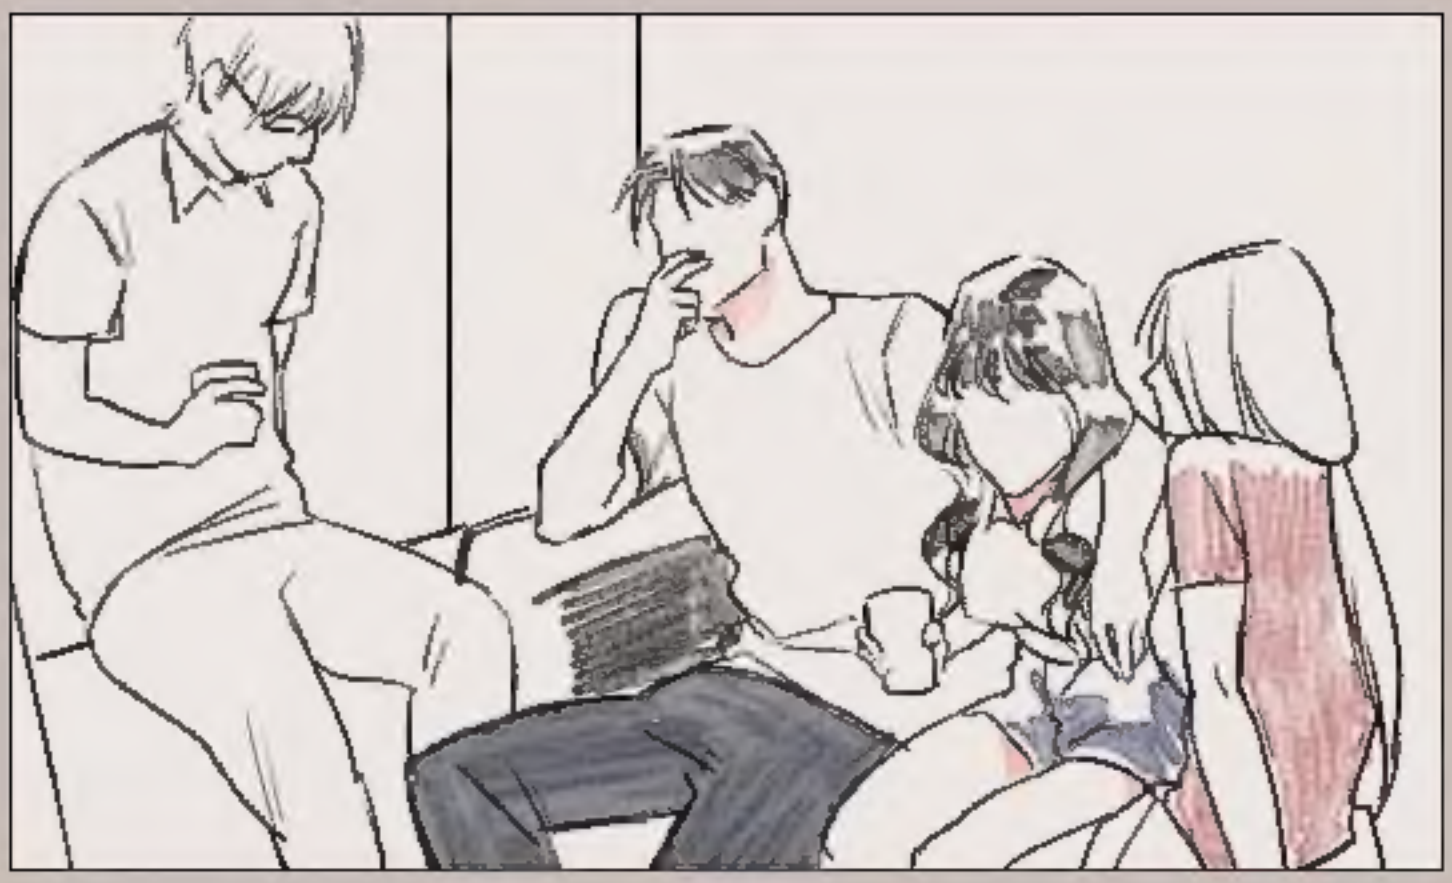
Hyeonseo would've wanted that.

...?
Hyeonseo...

????
is back again.

He's living with me.
This nonsense again...
I need you to be happy.
ah, that's enough
You must be tired.
Talking about that woman,
she's coming back to Korea.

You'll probably meet her soon.

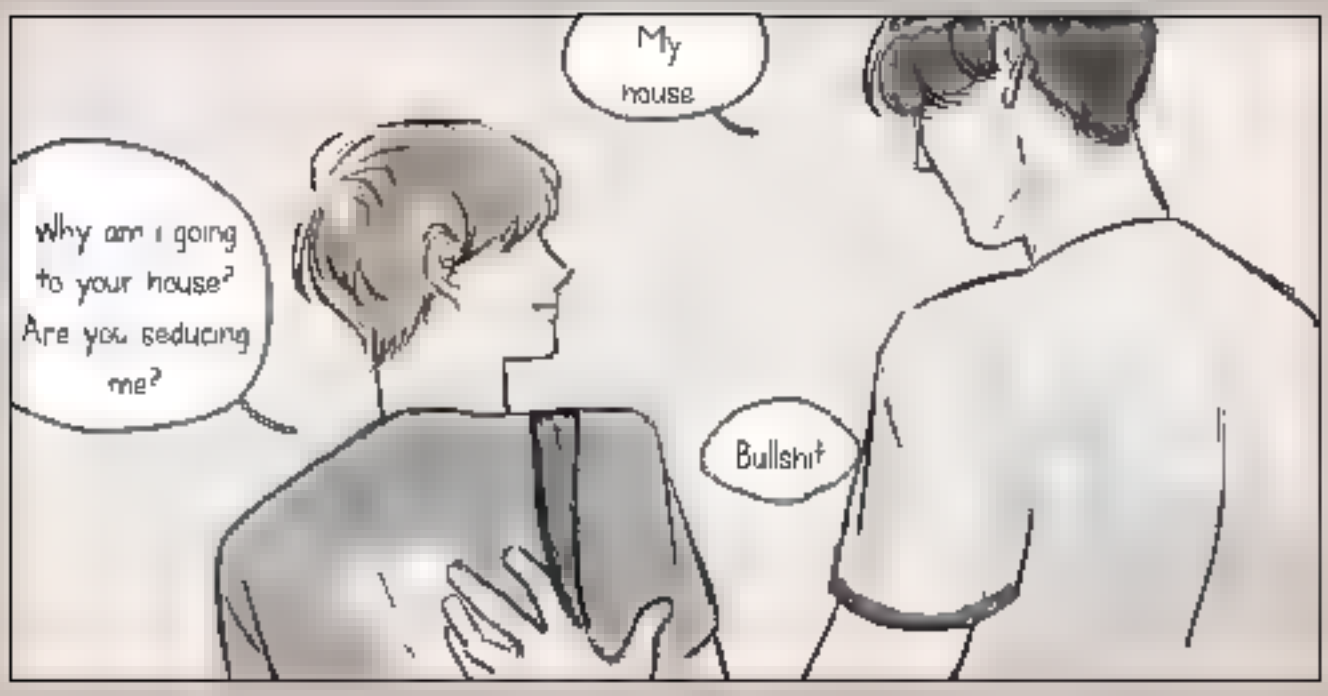


There were
two people
most precious
to me.

A senior I respected...

...And his lover,
a friend who was like
my everything.

If I had
these two...



. could do anything.

Haa, they look good together A writer and an architect

can always be good to you But as soon as you smile like that I'm satisfied

told you that I'll ask you to be circumcised if you call me that night? Haha

Haha I'm already skinned

It's a bit awkward if you go around saying that

I'm going to study abroad.

T/N Hyeonseo calls Gyeokho Pogyeong, which means circumcise

Study abroad?

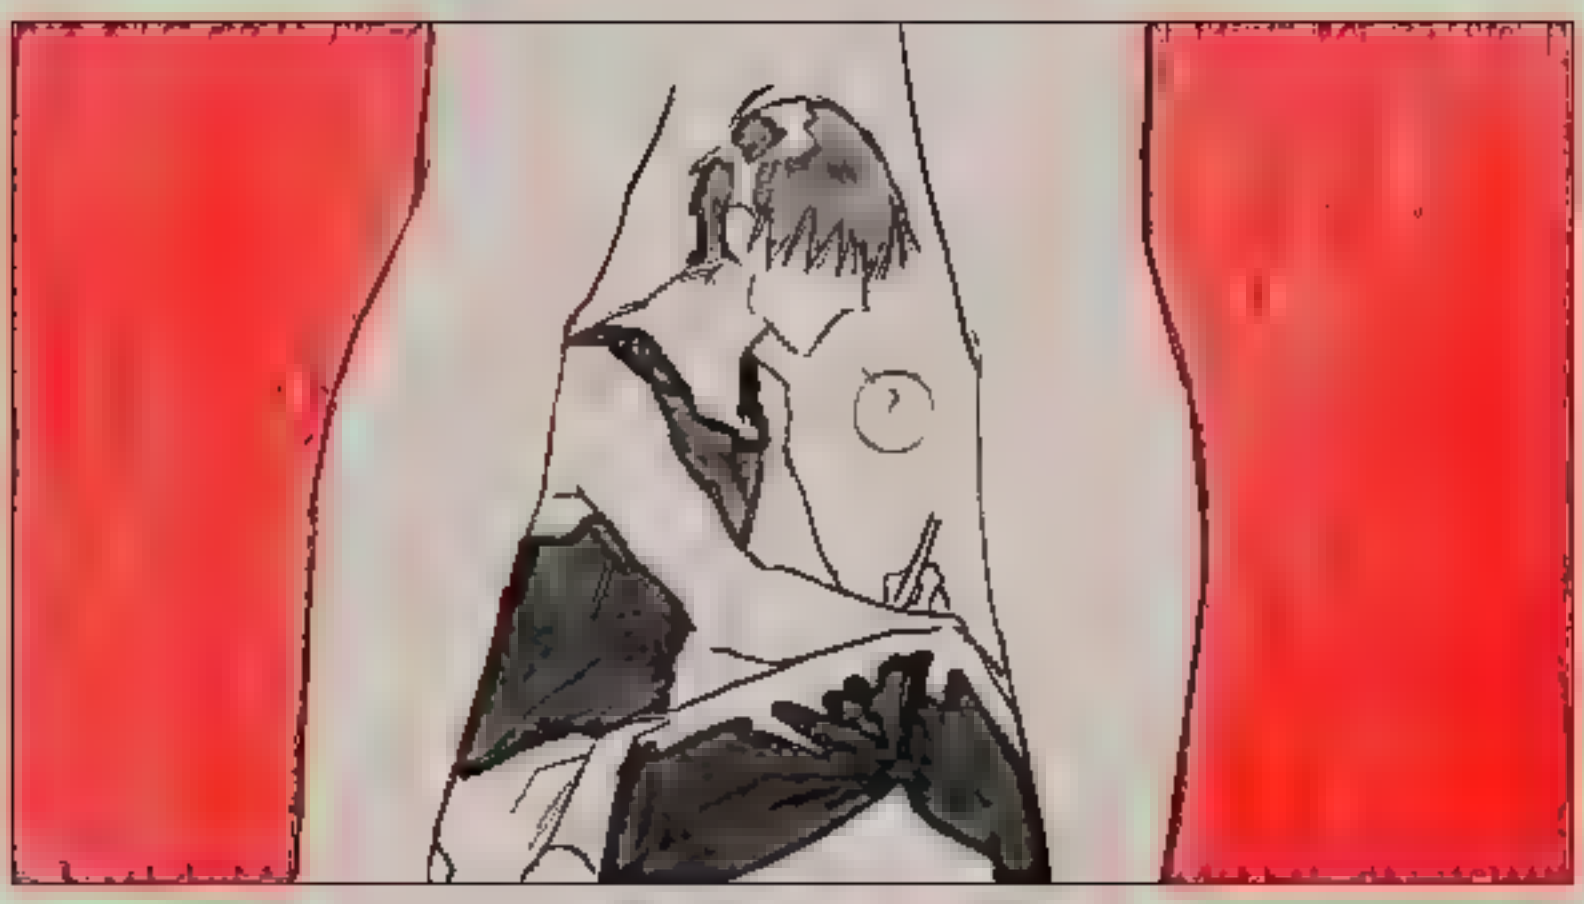
?

Get ready.

Because in a few years you'll have to catch up to me

want to become a better person
protect my friends
and stay together n that smile forever

And then met that woman 0 years later



Hello.
I'm the writer working
with you this time,
Yoonkyung Bae.

You look familiar

Wh..?

Don't you
remember me?
K University

Someone glamorous like this in our university..? Moreover, she knows me..?

Bae Yoonkyung... No way...

That rude Bae Yoonkyung?!

I'm right! The arrogant Pyo Gyeok ho.

Aaahh~ Long time no see Gyeokho

(????)

We became friends quickly because of our academic relations.

Bae Yoonkyung whom I trusted, came to say anything without hesitation

Even things that she shouldn't have talked about

Hey
I~~ used to date
Kang Jaehyunie

Stop talking nonsense
and walk on your feet
Why would nyung
even go out with you?
Hahaha He said~ he didn't
date anyone~ after breaking
up with me

Haha
I'm such a
fatally sexy woman!
seduced him
I seduced and
took him away!

Do you know what happened to Hyeonseo?

You should have seen his face when he stormed out of the drinking party.

Then, he died. Hmph~ it turned out well. That annoying kid.

Ah, and do you know what happened to Kang Jaehyun? I dumped him 'cause he became boring.

Fxxk.
How dare he ignore my call? Is he ignoring me?

SAD

SNIFFLE

Where else can he find a woman like me?

Ah, right~ I have an interview with K Broadcast Company on the 22nd

It'd be fun to release it as a love story of a new popular drama writer.

I even went to hospital lately because I've been depressed.

I'll reveal everything and trample on Kang Jaehyun

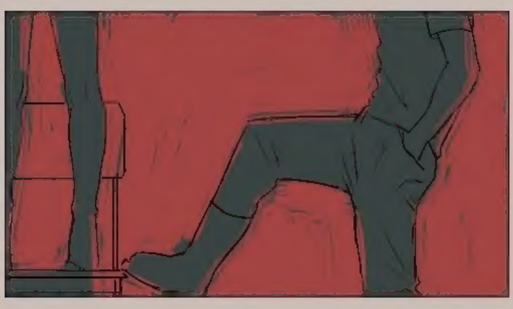
No, will he get the spotlight because of me? He'll accept my call now, right?

Guess who killed Hyeonsea?

That mouth became the noose which hung her neck

The sudden death of a new popular drama writer.

Won't it be more fun than your cheap love story?
It's too bad that I can't do exactly what you did.



Your cause of death is suicide.
You usually suffer from depression and can't beat it under the influence of alcohol... Oh my.

The interview became regrettable.
But still, even your death is a fiction.
Isn't being a writer the perfect job for you?
